Assistant Superintendent

Dear Parents and Student,

As part of graduation requirements, your student is required to meet specific requirements on LEAP 2025 state standardized assessments. Your child was identified as missing one or more of the requirements needed for graduation. This summer, Livingston Parish will be offering summer instruction, remediation, and testing to assist your student in reaching this requirement. While it is not mandatory for students to participate in this program, our district would like to offer this service.

This summer program will occur from June 19th to June 23rd with testing occurring from June 26th to June 29th. There will be a total of 5 instructional days and 4 testing days. Instruction and remediation will occur for Algebra, Geometry, English I, English 2, Biology, and US History at a choice of three high schools. Please be aware that our district is only able to offer transportation from June 19th to June 23rd.

Thank you for your interest in your student's education. We look forward to making your student's educational experience a successful venture.

Sincerely,

Kelly A. LaBauve

Kelly A. LaBauve

Supervisor of Assessment and Accountability

SCHOOL USE ONLY - *Email all forms at once to summer site principal, Allison Bernard, and Kelly LaBauve by Wednesday, May 24th.

Student's Name: _____ Home-Based School: _____
Assigned Summer Site: _____

Please check needed course(s) students will participate in for
instruction/remediation and testing:
