Livingston Parish Public Schools has informed Live Oak High that the funding source is no longer available to pay for the AP exam fee for the 2022-23 school year. Our district and Live Oak High are actively searching for funding for AP exams for the next school year. We regretfully want you to know that there is a possibility that funding will not be available for AP exam fees for the 2022-23 school year or that only a partial funding will be available. If that is the case, you will be responsible for the \$96 regular exam fee or the \$53 reduced fee. Seminar and Research have a regular exam fee of \$144 or \$110 reduced fee.

We wanted to give you an opportunity to adjust your child's schedule if necessary before the May 10 deadline. Thank you for your help and understanding in this matter.

We will let you know as soon as possible the final amount that will be due. We are not asking that you pay fees at this time. You should, however, pay the one-time \$40 Live Oak High fee before May 10, 2022.
